PRODUCTION NOTES

The 2015 Vintage provided beautiful fruit. Because of a cool foggy spring we had very low crop yields. This resulted in especially concentrated fruit from the steep hillsides in Bennett Valley. We harvested our 2015 Cabernet in the first weeks of September, which, was even earlier than the 2014 vintage.

Farming at the highest level, picking for balance, and making the wine with minimal intervention all contribute to what we believe is one of the top Cabernet wines made in Sonoma County.

TASTING NOTES

The 2015 Flanagan Cabernet has beautiful floral notes intertwined with more savory herbal notes. The palate has a ripe red and black fruits, savory bay leaf, earth notes, and lots of structure. The acidity provides beautiful delineation and tension in the mouth.

This is a generous, age-worthy, world class Cabernet.
