Sonoma County

HARVEST DATE October 2012

PH 3.8

TA 5.7

CASES PRODUCED 612

RELEASE DATE September 2015

PRODUCTION NOTES

The 2012 vintage was classic in every way. Perfect weather meant that in 2012, we were able to achieve ideal ripeness with perfectly clean fruit. The resulting wines are spectacular!

TASTING NOTES

The defining attributes of our 2012 Flanagan Cabernet are its ripe, seamless palate and its power. This wine displays our classic profile of a floral bouquet of violets and irises, but it is the palate that really displays the richness of the 2012 vintage. Deep black fruits, warm rock, mocha, and savory notes of olive and bay leaf flow seamlessly together in a truly beautiful glass of wine.

I love that our wines reflect vintage character. The 2006 was opulent, the 2009 structured, the 2011 elegant, and the 2012 powerful. Enjoy!
